

CARB-Attestation

CTIB-TCHN 1276

In compliance with § 93120.12, Title 17 of the Californian Code of Regulations "Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products", it has been stated that the wood based panel products

L MDF H and MDF-HLS 6 mm – 38 mm

produced by the manufacturer

Spanolux S.A.
Rue de la Forêt, 2
6690 Vielsalm

in the factory

Spanolux S.A.
Rue de la Forêt, 2
6690 Vielsalm

are submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the Third Party Certifier **CTIB-TCHN – TPC 029** has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in the Californian Code of Regulations

Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products

are applied.

This certificate was first issued on 19th August 2013 and remains valid as long as the conditions laid down in the technical specification in reference and the manufacturing conditions in the factory and the FPC itself are not modified significantly and at the latest until 18th August 2015

Brussels, 22nd July 2014
